OBJECTIVE

To obtain an entry-level Engineering position at a respected organization and utilize the educational qualifications I've obtained at Lakshmi Narain College of Technology

EXPERIENCE

23/07/2024 -
06/08/2024

- Vocational Trainee**
Bharat Heavy Electricals Limited
Gained practical exposure to relevant technologies or processes such as power plant systems, heavy electrical machinery, etc.Assisted in routine maintenance, inspections, and testing of turbines, boilers, transformers.Observed and participated in troubleshooting and repair activities to improve machinery efficiency.Analyzed technical drawings, schematics, and manuals to understand equipment functioning.

EDUCATION

2018

- Sant Meera School**
Secondary Education
89.4

2020

- Sant Meera School**
Higher Secondary Education
87

2021 to present

- Lakshmi Narain College of Technology**
Bachelor of Technology
7.27

SKILLS

- Team building
- Problem Solving
- Java Language
- Decision Making

PROJECTS

- Personal Portfolio Website (Frontend Development Project)**
 - Designed and implemented a responsive user interface using HTML, CSS, and JavaScript, ensuring compatibility across multiple devices and screen sizes.
 - Integrated smooth navigation, animations, and modern UI elements to enhance the user experience.
 - Featured sections include an about me, project gallery, skills overview, and contact form.
- Fire Alarm System (Embedded Systems/IoT Project)**
 - Designed and developed a fire detection and alarm system to ensure real-time fire hazard monitoring and alerting.
 - Built using Arduino, integrating temperature and smoke sensors to detect potential fire hazards.
 - Programmed sensors to trigger alarms when predefined temperature or smoke thresholds are reached, ensuring quick and reliable detection.
